MEMORANDUM FOR THE RECORD

Re. KALINOWSKY, Grigory

As reported by [] to Dorothy Shauer

On 8 August 1962 Subject reported to Leonid KUBIK, his supervisor in the Monitoring Section, that on the day before he had received in his mailbox a letter, postmarked Munich, which had enclosed in it a note stating that the sender was enclosing therewith a letter from Wasily EPISCHEW, a former employee in the Monitoring Section who recently returned to the Soviet Union. He noted Epischew's present address, should Subject care to reply to the letter, and indicated that he had hand-carried the letter from the Soviet Union. The letter from Epischew was written in a style to imply that he and Subject had been very close friends, and referring to their "common interests and common concern for freedom." Subject had never had a close relationship with Epischew; had in fact known him only well enough to nod to in greeting.

Subject was of the opinion that Epischew's letter was in some way tied in with the invitation he had received a week before from the Soviet Embassy, postmarked Bad Godesberg, for a film showing in Munich.
